

## 0.1 `user.prompt`: Pause in demo files

### Description

Use `user.prompt` while writing demo files to force users to hit return before continuing.

### Usage

```
user.prompt()
```

### Author(s)

Olivia Lau `<olau@fas.harvard.edu>`

### See Also

`readline`

### Examples

```
## Not run:  
user.prompt()  
## End(Not run)
```
